Germoe Parish Council.
Neighbourhood Priority Statement

Notes from the first Germoe Parish NPS Steering group meeting 9th July 2026

Present: Graham Bell(GB), Chair, Cllr Kathy Doeser(KD), Cllr Jo Goddard(JG), Cllr Vicki Marshall(VM).

The following was agreed:

1. NPS provided material:
Members will familiarise themselves with the Parish data provided by NPSCC and the NPS model template and look at the draft NPS statements from the pilot exercise.

2, Let's Talk questionnaire:

Encouraging questionnaire completion:

KD will draft letter to residents introducing them to the NPS and the Let's Talk survey.
JG/VM will distribute introductory letter to residents in Trewithen Terrace, Trennel, and Boscreege
KD will collect names and contact details of residents in Tresowes Hill and Balwest.
GB will collect email addresses in and around Germoe Village in order to send out NPS information
GB will try to establish contacts in Tresowes.

Members agreed that for those who complete the questionnaire on paper that, to ensure confidentiality, the Parish Clerk will manage the process.

3. Steering Group Terms of Reference and membership:
Members agreed broadly to adopt the CC template but not to have a dedicated Secretary for cost reasons.
We would invite others to join the Steering Group or to help in particular working groups.

4. GB will ask the NPS team what advice will be given on analysing the data from the questionnaires at the next on-line training session.

5. Members will build a register of businesses based in the Parish.
